### **Cultural Explorer - Travel Values**

**Always excited about the next trip**

**Fascinated by the ancient history as well as the modern cultures of the places they visit**

**Travel is a journey, not the destination and is best experienced with likeminded companions who want to have fun while learning**

**Feel relaxed and free while traveling**

**See an authentic experience, and don't want to stay in sterile, commercial hotels**

**While cautious, not afraid to venture into the unknown in pursuit of discovery. They will not be constrained to "tourist" schedules or destinations but will chart their own course**

### **Cultural Explorer - Travel Behavior**

**Vacations – take the most vacations, trips of all durations, and especially weekend escapees,**

**Adventure Travel – want to learn, explore something new, and engage in local culture**

**Destinations – Open to B and B's, camping, hostels, all modes of travel**

**Most Interested in – sampling local flavors and lifestyles, Aboriginal culture, beautiful landscapes, rivers/waterfalls, cultural attractions, festivals, relaxing in peaceful environments, self-touring**
